Labor keeps repeating the lie that it is not sending weapons to Israel.

Sam Wainwright, on behalf of Stop AUKUS WA, outlined at the "Stop Arming Israel" protest on June 8 that Australia is complicit in Israel's genocide in Gaza.

Wainwright is a national co-convenor of Socialist Alliance.

He reminded the crowd that protesting the genocide is still one of the most effective actions people can take, and that we must keep it up until the **Anthony Albanese** Labor government is forced to junk its pro-Israel policy.

"It's not enough to be on the right side of history, we need to make history," Wainwright said.
