*In this insightful video, we delve into the ongoing crisis in Sri Lanka and its broader global implications. We explore how colonial legacies and neoliberal policies have contributed to the current state of affairs, both in Sri Lanka and across the world.*

Through a critical analysis, we uncover the historical and economic forces at play and examine their impact on societies and ecosystems.

But it's not all doom and gloom. We also highlight innovative ecological and collective alternatives that offer hope for a more sustainable and equitable future.

From grassroots movements to cutting-edge ecological solutions, discover how communities can come together to address and overcome the challenges posed by these entrenched systems.
